## TARGET AUDIENCE

This continuing education program is designed for physicians, physician assistants, nurses, nursing home administrators, pharmacists, psychologists, occupational therapists, physical therapists, social workers, and other health care professionals working in geriatric health care and education.

## COURSE DESCRIPTION

Two continuing education programs will expand on the themes from MTGEC's 2011 Annual Conference, *A Comprehensive Approach to Late Life Depression*.

Participants will review a prepared case study prior to each session and prepare responses for questions associated with each case. The case study, along with other materials, will be sent to registered participants before the meetings so that everyone arrives prepared for the discussion. The 2011 Annual Conference handouts may be found at <http://mtgec.umontana.edu>

## OBJECTIVES

- **Session I:** (January 24, 2012): Using a case-based approach, discuss the recognition, assessment and diagnosis of depression in an older patient.
- **Session II:** (February 21, 2012): Examine treatment options, suicide prevention, and community resources available to assist older patients with depression.

## CONTINUING EDUCATION

The Montana Geriatric Education Center (MNA-09MGEC11) is an approved provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. One contact hour is available for each session. MTGEC is submitting applications for continuing education credit for other disciplines.

## REGISTRATION FEES

- \$15 January 24 and February 21
- \$10 January 24
- \$10 February 21
- \$3 UM Parking Pass

Please register by January 16 and February 13, 2011, in order to receive materials to review before each session.
